Kindly invite you to a lecture on

EUTELSAT: A long route from vision to supervision

by
Christian Roisse
Executive Secretary of EUTELSAT IGO

Christian Roisse has been closely involved with the workings of EUTELSAT for more than twenty years and currently holds the position of Executive Secretary of the EUTELSAT Intergovernmental Organization (IGO). He is also a distinguished member of the International Institute of Space Law (IISL) and the European Centre for Space Law (ECSL). Mr. Roisse has given numerous presentations at international symposiums and has produced many articles in the field of space activities, with a particular focus on EUTELSAT and its restructuring process. This will also be the topic of the lecture.
